

KEOTSHEPILE KEIKABILE

Madibogo, North West, South Africa | 065 641 2675 | keotshepilekeikabile2@gmail.com

CAREER OBJECTIVE

Dedicated and analytical BSc student in Mathematical and Computer Sciences at Sol Plaatje University with strong interests in Mathematics, Quantitative Analysis, Data Science, and Software Development. Passionate about solving real-world problems using analytical thinking, programming, and data-driven technologies, while continuously developing academic, technical, and professional skills.

ACADEMIC BACKGROUND

- **Bachelor of Science in Mathematical and Computer Sciences** | 2024 – Present
Sol Plaatje University, Kimberley, South Africa
- **Grade 12 (National Senior Certificate)** | 2023 Khumosejo Secondary School

TECHNICAL SKILLS

- **Programming & Development:** HTML, CSS, Java, JavaScript, C++, Python (Pandas, Matplotlib).
- **Data Analysis & Visualization:** SQL, Excel, Tableau, Power BI, Jupyter Notebook, Data Storytelling.
- **Data Science Concepts:** Linear Regression, Machine Learning Fundamentals, AI/ML Concepts, Data Engineering Basics.
- **Other Skills:** Problem-Solving, Critical Thinking, Presentation & Communication, Teamwork, Time Management.

PROJECTS & CERTIFICATIONS

- **Data Science Essentials with Python** | Cisco Networking Academy | Nov 2025
Applied Python and industry-standard libraries to explore, visualize, and model data.
- **Data Analytics Essentials** | Cisco Networking Academy | Aug 2025
Gained a broad understanding of the data analytics process and created insights using Excel, SQL, and Tableau.
- **Introduction to Data Science** | Cisco Networking Academy | Aug 2025
Developed foundational understanding of Data Analytics, Data Engineering, and AI/ML roles.
- **AWS AI Practitioner Challenge** | Udacity | Apr 2026
Developed understanding of AI tools, machine learning concepts, and emerging technologies used in modern software and data-driven environments.

WORK EXPERIENCE

- **Applied Mathematics (Mechanics) Tutor** | Sol Plaatje University | Semester 1, 2025
Provided academic support through small-group tutoring sessions, simplifying complex Mechanics concepts and strengthening students' problem solving skills.
- **Mathematics (Calculus) Tutor** | Sol Plaatje University | Semester 1, 2026 – Present
Providing academic support to undergraduate students in Calculus through structured tutoring sessions, explaining complex concepts such as limits, derivatives, and integrals in a simplified and accessible manner. Assisting students

in developing effective problem-solving techniques and exam strategies, while continuously supporting their academic growth through guidance and constructive feedback to improve understanding and performance.
